

Dismissal Procedures

Due to COVID19, dismissal procedures have been adjusted to support social distancing guidelines. We will be using a staggered dismissal procedure to reduce the numbers of people trying to exit the school at the same time. Teachers will wait with their students in the classrooms and dismissal routines will take place between 3:30-3:50 M-Th and 2:00-2:20 on Early Dismissal Days.

Please note that times are approximate as we learn how many students will be coming back to school on-site:

- Students must keep a mask on until they leave school grounds.
- Students will be called to dismiss by family / walking groups using an alphabetized system. Students with different last names in their group, will go by the oldest students last name.
- 3:30 Students who walk by themselves (no family members coming to meet them), will be dismissed out of Park Ave. door to go directly home.
- 3:30 Students who have a family member walk to meet them will be called down to Park Ave. door when the family member arrives and lets the staff member know who they are picking up. Student(s) will be called down to meet them.
- Students who ride the bus will be picked up from their classroom by an assigned staff member to meet their bus.
- 3:35 Students who have someone pick them up in a car will exit the main front doors.
 - All cars will drive up directly in front of the school facing south toward Washington Ave. Cars will be directed to wait in the line inside the cones. Students will not be allowed to cross traffic to get into the car.

A staff member will communicate with the driver to determine which students are being picked up and students will be called down and brought to the car
