

Hello Johnson STEAM Academy Families,

This is a message to share some very exciting news for the JSA community! For the 2<sup>nd</sup> year in a row, Johnson STEAM Academy Magnet School has been named a National Magnet School of Distinction by Magnet Schools of America, the national association for magnet and theme-based schools.

To receive a national merit award, members of Magnet Schools of America must submit a detailed application that is scored by a panel of educators. These schools are judged and scored on their demonstrated ability to raise student academic achievement, promote racial and socioeconomic diversity, provide integrated curricula and instruction, and create strong family and community partnerships that enhance the school's magnet theme.

A JSA team will be recognized and receive a National Magnet School of Distinction Merit Award on behalf of our school during an awards ceremony held at the Magnet Schools of America's 38<sup>th</sup> National Conference in April.

Every JSA family, student, and staff member is an important part of creating and acting on our shared vision. Thank you for trusting us with your children each day. We find great joy in serving our amazing community and helping our young learners grow!

Congratulations to us all and thank you for your continued support.

Sincerely,  
Candace Lynch, Principal
